

Act Now! How to Use the 5 C's of Goal Achievement and Tap Into All 3 Types of Action to Easily Achieve Every Goal You Set

Many of us set goals. We're driven by high aspirations of a better life with better results. We know that we need to convert our vision into discrete goals that will make our vision a reality. Despite the goals we set, we often find them elusive. No matter what books we've read or training we've attended, there's still something critical we need to do – *Take Action!* But... the *type* of action MATTERS!

By following the 5 C's of goal achievement and taking all three types of action we begin to move toward our goals rather than standing still and wondering why we have yet to hit them. Taking Action makes things happen. Action is *Everything!*

Peter D. Winiarski (Pete), founder and CEO of Win Enterprises LLC, and author of #1 International Best Selling book *Act Now! A Daily Action Log for Achieving Your Goals in 90 Days* will describe the power of *Daily Actions*. The actions we take every day are what add up to great success, not waiting for the right moment to attempt a giant leap. You will learn how easy it is to take the three types of action and build them into your daily routine.

You will learn:

- The 5 C's of Goal Achievement
- How to *set goals* and *create plans* to achieve them.
- The most important *Daily Habits* to develop and incorporate into your daily routines.
- How to recognize *Intuitive Hits* and know how to immediately take *Inspired Actions* when you do.
- How to use the *Rule of 5* to keep you on track and make steady progress.
- A powerful *daily tracking method* that will enable your 90-Day goals to become reality, every 90 days.

DATA shows your results will improve 42-77% by applying what you learn in this program!

The content in this workshop augments many of the other programs that Win Enterprises, LLC offers, and can be part of a more complete multi-day agenda to help your whole team understand and utilize these principles.
